How long will the present system last?

Today's events indicate that the world is heading toward a catastrophic end. The threat of a nuclear holocaust hangs over mankind. Yet, something far more awesome faces mankind. This is "the war of the great day of God the Almighty," which will rid the earth of evil and wickedness. (Revelation 16:14) Bible prophecies show that there will be survivors. Read how you can be among those who will survive to live on a paradise earth forever. Your survival depends on what you do now. Obtain the book *Survival Into a New Earth*. Use the coupon below to order your copy. It is only $1.50.

Please send the 192-page, hardcover book *Survival Into a New Earth*. I enclose $1.50 (A).
